

## WORKSHOP ON SUPPORT ACTIONS FOR EUROPEAN INDUSTRIAL TECHNOLOGIES (NMBP / RFCS)

THURSDAY, 4 APRIL 2019, 10.00-16.00

COVENT GARDEN BUILDING, 25/SDR1 AUDITORIUM NOWOTNY

PLACE ROGIER 16 (METRO ROGIER), BRUSSELS

### AGENDA (ANNOTATED)

The purpose of this workshop is to look at the output of support and coordination action in the area of industrial technologies, in order to make the most of this valuable resource; identify lessons learned; and show the way forward with regard to big issues, future funding and future policies.

**10.00 Welcome and introduction** – by the Director

**10.45 Parallel Sessions** – each one with a Commission chair / rapporteur

- **Cross-cutting aspects and Community building**

Room COV2 25/SDR1 – Moderator: Ana Grigore

- **Sustainability**

Room COV2 25/SDR2-3 – Moderator: Nicolas Segebarth

- **Standards, roadmaps etc.**

Room COV A2 0/129 – Moderator: Nicholas Deliyanakis

*Please see annex for lists of projects in each parallel session.*

**10.45 Parallel Sessions – Project Pitches**

*Six-minute pitch by each project, on outcomes and recommendations, for the Commission as well as for other stakeholders (expected outcomes in the case of ongoing projects). The information we expect to obtain is:*

- outcomes on the ground, e.g. networking, community building, standardisation, databases and platforms, new knowledge etc.;
- recommendations for policy makers and for stakeholders;
- any key issues related to the running of the projects, including validation of results; and
- things you would you have done differently with hindsight.

**12.15 Lunch**

### 13.00 Parallel Sessions – Discussion / Harvesting

*There are two key questions:*

- What has the impact been? – with respect to
  - o outcomes on the ground; and
  - o recommendations and their use.
- Which are the lessons learned with regard to future CSAs? / What is necessary for impact to be achieved?

### 14.30 Coffee break

### 14.45 Plenary Session – Conclusions

*The rapporteurs will present the conclusions of the three parallel sessions (10 minutes each); followed by a discussion and conclusions.*

### 16.00 Close of workshop

## Annex – Parallel Sessions

- *closed projects in blue, ongoing projects in green*
